

Introducing the New Bukers Taxanalysis Online Course

The Bukers Taxanalysis Online Course gives lenders the advanced skills necessary to analyze the most complex income tax returns. Bukers Academy Online has transformed all of the valuable information from the book-based Taxanalysis I & II Self-Study course into an engaging web-based learning environment. Now you can access the Bukers Taxanalysis course online and complete at your own pace. This new interactive interface has allowed us to enhance the course by visually emphasizing every step of the Bukers Taxanalysis process in exquisite detail.
